

## *Certificate of Appreciation*

**Dear Rishi Tamrakar,**

You have been appreciated by Soumya Soman.

**Dear Associate, Congratulations for being the champion of Bizskills Panorama 2016, a comprehensive gamified Bizskills assessment involving multiple levels and rounds, conducted from Apr 23, 2016 to 23 May 2016! The phenomenal effort that you've taken in preparing the questions for the opponent teams in the form of audios, images and MCQS as well as preparing on the entire Bizskills modules to win the quizzes is noteworthy. As part of the event, I also appreciate your creativity in designing a skit that is aligned to the corporate etiquette and in demonstrating the same successfully. All these show your zeal to be a good professional and an effective team member. Continue to be proactive by taking up more of such initiatives in future too. It is what sets you apart from the rest. Congratulations once again!**

Warm Regards.
